

Knights Baseball Tryouts Information – July 2011

The Knights Baseball Club was formed in 2006 to provide youth in Albert Lea and surrounding communities the opportunity to learn and play baseball in a fun and positive environment. The Club is focused on giving youth a chance to develop baseball skills and knowledge of the game. We also seek to instill the team concept as well as sportsmanship and respect for coaches, umpires, and teammates.

Knights Baseball has a defined set of rules and expectations for coaches, players, and parents that are explained in our Approach to Youth Baseball. Examples of this are players hustle all the time, coaches teach fundamentals and give positive instruction, and parents support your son and the team but not attempt to coach from the sideline. Travel teams will play 20-40 games including State Tournaments as well as our own Knights Invitational. Our goal is to field teams to compete with the best teams in our classification in the State of Minnesota and surrounding states.

In 2009 Knights Baseball formed Albert Lea Community Baseball to organize and run the T-Ball/Coach Pitch program in Albert Lea. In 2010 ALCB organized a 9-10 yr. old in house league. About 290 boys and girls participated in the ALCB programs in 2010.

Knights Baseball will be conducting tryouts to field travel baseball teams for the 2012 season. The schedule for tryouts is as follows.

*Saturday, July 30, 2011 @ Snyder Field #2
